

# Memory Café

**First Wednesday of the month  
from 10:30-11:30 a.m.**

The library is pleased to partner with Pathlights to offer a monthly Memory Café. This is a social gathering for people living with Alzheimer's and related dementias and their care partners. Each monthly session offers an art or music activity and gives participants a chance to meet and enjoy time together. Memory Cafés aim to decrease the social isolation that often accompanies dementia and caregiving. Registration required.
