

Caregiver Stress-Busting Dementia Program

Next Session Starting Soon!

Do you provide care for someone with Alzheimer's Disease or Dementia?

This is a multi-component program focusing on support, problem-solving, education, and stress management techniques. It addresses stress and the impact of long-term stress, managing difficult behaviors/conditions, grief, coping strategies, positive thinking, taking care of yourself, and choosing a path to wellness. A different stress management technique is demonstrated each week.

Each session is 90 minutes per week for 9 consecutive weeks. We meet in small groups of up to 8 people and materials for the program will be provided.
