

Communication Strategies for Alzheimer's Disease and Related Dementias

Friday, April 12, 2024

Starts at 1 PM

Communication Strategies for Alzheimer's Disease and Related Dementias

An award-winning author shares her journey about how she cared for her mother who was diagnosed with Alzheimer's Disease. Patricia McClure-Chessier will offer communication strategies and teach participants how to avoid power struggles and what to do when their loved one is non-compliant with their daily skills or when they are displaying challenging behaviors.

Generously sponsored by Always Best Care Senior Services.

In-Person Location:

Orland Park Public Library
14921 S Ravinia Ave.
Orland Park, IL

Expert Speaker:

Patricia McClure-Chessier is author of "Losing a Hero to Alzheimer's The Story of Pearl" and "A Caregiver's Guide for Alzheimer's and Dementia Nine Key Principles." She has an MBA, MPA, and Bachelor's Degree in Psychology.
