

TechWise: Technology for Older Adults

Join Pathlights for TechWise, a dynamic six-class series designed for adults 60 and older. This free series will equip you with essential digital skills to navigate today's technology with confidence.

Topics include:

- Computer Basics
- Email
- Technology Troubleshooting & Online Security
- Social Media & Socialization Tools
- Better Aging Through Technology
- Online Library Resources

TechWise goes beyond just training—it helps connect you to the digital world by providing internet and device access, fostering social engagement, screening for mental health concerns, and offering additional support when needed. Our mission is to expand broadband access, enhance digital literacy, and empower individuals to stay connected, informed, and engaged in their communities.
