

Special Senior Social Hour

*Wills, Trusts &
Advanced Directives*

August 14 | 1 PM | Ages 55+

Adults of all ages and their family caregivers need to understand how Advanced Directives protect you during a medical crisis. In addition, learn how Wills, Trusts and Powers of Attorney can protect your assets in case of a disability and assist with distribution after death. Elder Law Attorney Stephen Sutera discusses these legal instruments and how they protect you and your loved ones. We will also discuss how long-term care is paid for either privately or with Medicaid.

Registration Required. Register either on the HPL event calendar or call the adult services desk at 708-798-0121.
